Panama City Welcomes Southwest Airlines

Nov 17, 2009 | By: Meagan Drillinger | TravelAgentCentral | [☆☆☆☆☆](#)

Southwest Airlines recently announced that it will become the official low-cost carrier for the new Northwest **Florida Beaches International Airport**. Starting May 18, 2010 it will offer eight nonstop flights to four new markets. The new markets will be announced in an official statement and tickets will go on sale as of December 2009.

The Resort Collection of Panama City Beach has been following Southwest's progress and has been keeping its guests updated through their website, www.edgewaterbeachresort.com.
